

THREE GOOD WAYS TO HELP SAVE RALPHS BAY

CALENDARS, CARDS AND A SEASIDE CELEBRATION OF UNSPOILED COASTLINE ...

Save Ralphs Bay Inc and its creative supporters have been busy preparing a trio of options for residents who want to help save Ralphs Bay from Walker Corporation's 500 home canal housing estate proposal.

On the back of this newsletter is an order form for our lovely Ralphs Bay 2007 Calendar, featuring images from three local photographers who have given their time and photographs for no material reward, but the satisfaction of knowing they are contributing to the community campaign.

Their work also features on a series of six greeting cards capturing some of the many moods of Ralphs Bay, from fiery sunsets to misty mornings, as well as the iconic Pied Oystercatchers in flight. These are the glories we stand to lose if the Ralphs Bay Conservation Area becomes a construction and development site for a slice of the Gold Coast. On behalf of the concerned community we represent, SRB Inc is determined this will not be allowed to happen.

Every cent you help us to raise by purchasing the calendar and/or greeting cards will go into the SRB Inc kitty for tackling a billion dollar corporation in the Resource Planning and Development Commission (RPDC) next year. This fundraising effort and your response is all about a community standing up for a treasured piece of Tasmania's natural coastline, its unique bird-life and a precious, relaxed lifestyle.

If you have internet access go to www.saveralphsbay.org to view the calendar and cards. Please consider placing an order using the form on the back of this newsletter.

We will have them back to you well in time for Christmas!
